

Winner of the 2005 Deloitte Technology Fast 50

People Telecom Limited (ASX/NZXPEO) is pleased to announce that today it is ranked number 1 in the 2005 Deloitte Technology Fast 50, which recognises the most dynamic and fastest growing technology companies in Australia.

With a growth rate of 2410 percent the overall winner of the 2005 Deloitte Technology Fast 50 is **People Telecom**.

As stated in the Deloitte's Report our success is testament to the impact of the convergence of voice and data over the last year. People Telecom has been in the list for two consecutive years and has now grown its revenues to over \$100 million in five years.

People Telecom continues to deliver best-of-breed telecommunications solutions to its business customers for voice, mobile and data (internet) services with one bill and one account manager.

Chief Executive Officer Ryan O'Hare says "We are very pleased to accept this award as we strive to provide a heightened personalized service offering in this busy industry. We believe it's our service ethos, product range and our state-of-the art online self management tools that sets the company apart from its rivals".

About People Telecom:

One of Australia's largest telecommunications groups, People Telecom offers a comprehensive range of telecommunications products and services for businesses in Australia.

The group is a leader in service within the telecommunications landscape, offering high customer service levels accompanied by a full suite of standard and cutting edge telecommunications products such as fixed wire, mobile and data including broadband and Voice-Over Internet Protocol (VoIP).

Over the five years period the group has been in telecommunications, the group has grown dramatically. In the 2005 financial year revenues reached \$100 million and its bottom line profit significantly improves year on year.
