

Congratulations People Telecom for being recognised by BRW fast 100 as the 6th fastest growing company in Australia.

The BRW Fast 100 is amongst the most enthusiastically anticipated award for the successful fast growth of Australian businesses. It is a testament to those entrepreneurs who have taken their belief in their thoughts and ideas and turned them in to successful business enterprises.

Each year hundreds of businesses take part in the awards which have been described as the most respected awards to business, finance and entrepreneurs.

This award is evidence of the strength and drive of the team at People Telecom... congratulations!
