

# Business First Broadband Unlimited

## CRITICAL INFORMATION SUMMARY INFORMATION ABOUT SERVICE

### SERVICE DESCRIPTION

The Business First Broadband Unlimited plan is an internet service offered over the copper network either using our own infrastructure or infrastructure supplied to us by our wholesale partners. You can transfer your existing broadband service or activate a new service with Commander on your existing PSTN service.

### BUNDLING ARRANGEMENTS

If you bundle this plan with a new or existing PSTN office phone plan, the Monthly Access Fee is discounted to \$59.00. If you cancel or move your PSTN office phone service, your broadband service will be charged a Monthly Access Fee of \$89.95.

### MINIMUM CONTRACT TERM

24 Month

### KEY DETAILS

The Business First Broadband Unlimited plan includes Unlimited data, Included data is based on the greater of the uploaded or

downloaded traffic. Your unused data allowance expires monthly. If you use all of your included data within a billing cycle, excess usage will apply until the next billing cycle commences.

You will be supplied with the fastest speed available at your location - ADSL2+ or where ADSL2+ is not available, ADSL. This plan is subject to availability at your location.

### HARDWARE

You may use your own modem or a Business Gateway can be provided - see 'Information about Pricing'.

The Business Gateway is pre-configured, customer self-installed and supports mobile broadband backup for Internet telephony calls when an eligible Commander IP Voice service is bundled on the same account.

Please note that support is only available for Commander approved modems. For a list of approved modems, call Customer Service on 132 777.
